Re: *Schrader v. Maybrook Engine Co. No. 1, Inc. et al.*
Civil Action No.: 7:22-cv-09442 (NSR) (JCM)

Dear Judge Roman:

The undersigned represents all Defendants in the captioned action. In accordance with Section 1(E) of Your Honor's Individual Practices in Civil Cases and the Court's April 29, 2025 Order (ECF No. 75), Defendants write to respectfully request a slight modification of the briefing schedule governing their anticipated summary judgment motion, as set forth below. Plaintiff's counsel consents to the request.

On April 29, 2025, the Court entered an Order requiring Defendants to serve their summary judgment motion by June 13, 2025. Plaintiff's opposition was due to be served on July 14, 2025, with Defendants' reply due for service (and the filing of all papers) by July 29, 2025. Through this application, Defendants seek to modify the foregoing briefing schedule so that Defendants' deadline for serving their moving papers is pushed back one week, to June 20, 2025, with Plaintiff's opposition due on July 28, 2025, and Defendants' reply (and the filing of all papers) on August 12, 2025. This is Defendants' first request to modify the briefing schedule, and it is prompted by the undersigned's schedule involving other pending legal matters, along with interruptions posed by vacation schedules of the undersigned and certain clients in other matters.

Thank you for your attention to this matter.

Respectfully submitted,

Gregory R. Bennett
